

October 31, 2006. John had served nearly 5 months in Iraq, when his unit was ambushed in Baghdad on March 17, 2007. John had been spending time on leave with his family in Florida just 8 days before his tragic death in that ambush.

John served as a rifleman with Company C, 2nd Battalion, 12th Cavalry Regiment, 4th Brigade Combat Team, 1st Cavalry Division, based at Fort Bliss, Texas. He was 20 years old, having been born on Christmas Day in 1986.

John's parents, John and Pamela, were proud of their son, not just for the supreme sacrifice he paid on behalf of his country, but for the honor he brought to them as a soldier. Military service runs deep in the Landry family. John's grandfather was a member of the 82nd Airborne Division and his father served in the U.S. Marine Corps. All of his life, John dreamt of becoming a part of that legacy of service, and he died fulfilling that dream.

Before joining the United States Army, John attended Lowell Catholic High School where he was remembered for his kindness, his aptitude in the classroom and his hard-nosed leadership a co-captain and as an offensive and defensive lineman on the football team. Lowell Catholic was nearly finished with a care package to send to John in Iraq when they learned of his death.

As John's aunt, Missy Surette, said: "All that were fortunate enough to have had John as a part of their lives, feel the sadness and loss beyond words. Along with that sadness is a sense of honor and of being very proud of John. We will forever keep him in our hearts."

John died fighting for the country he loved, alongside comrades he respected and with the family he adored, forever in his heart. Our Nation is humbled and grateful for his sacrifice.

Madam Speaker, I ask that we all take a moment to recognize PFC John Francis Landry, Jr., United States Army, who paid the ultimate sacrifice fighting for our country. Our Nation will be forever grateful.

INTRODUCTION OF THE GLOBAL WARMING ACKNOWLEDGMENT RESOLUTION

HON. NORMAN D. DICKS

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 21, 2007

Mr. DICKS. Madam Speaker, today I am introducing a bill that calls for a comprehensive and effective national program of mandatory, market-based limits and incentives to slow, stop and reverse greenhouse gas emissions. The Global Warming Acknowledgment Resolution also states that these corrective actions should not harm the economy unduly, and that they should be designed in a way to encourage other countries to take similar steps to mitigate global warming.

As the producer of roughly one-quarter of the world's greenhouse gas emissions—more than any other country—the United States has a responsibility to take the lead in confronting the threat of global warming. And with the release of the United Nations Intergovernmental Panel on Climate Change's most recent report in February, it is clear that the U.S. Congress must begin to act now to reduce greenhouse gases.

The IPCC report, which represents the most comprehensive and up-to-date climate research, found that global warming is unequivocal and that it is more than 90 percent probable that human activity is responsible for most of the warming of the past 50 years.

Madam Speaker, the time for "what-ifs" is over and the time for corrective action has arrived. During this 110th Congress, we will debate the best ways to reverse the increased accumulation of greenhouse gases. While we may disagree on the particulars of this debate, it is clear that global warming is a real threat, and the Global Warming Acknowledgment Resolution is a first step toward the development of a comprehensive strategy. There are 22 original cosponsors of the resolution, and I urge your support. Feel free to contact my staff if you would like to sign on to this important legislation.

HONORING THE WOODBRIDGE KIWANIS CLUB

HON. TOM DAVIS

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 21, 2007

Mr. TOM DAVIS of Virginia. Madam Speaker, I rise today to honor the 60th anniversary of the Kiwanis Club of Woodbridge, Virginia.

In 1947, Frank Sigman and Carroll White noticed a dearth of civic engagement in their local Woodbridge community. Having been previously exposed to Kiwanis, they decided that the culture of civic and community engagement promoted by Kiwanis would greatly benefit the area. They canvassed their neighborhoods in an effort to create an interest in starting a Woodbridge club. This work paid off and on March 22, 1947, the Woodbridge chapter was chartered. In fact, they were so successful in creating support that more than 200 people attended what turned out to be a gala affair.

Taking root from these strong seeds, the club became a positive factor in shaping the development of Woodbridge. In the early days, the club helped establish a public water and sewage system, create a rescue squad, obtain land for a little league and provided organizational support for the creation of the Prince William County Police Department and the formation of the Potomac Hospital.

Currently, the club maintains its strong ties to the local community by working with the local Boys and Girls Clubs, the Salvation Army, Action in the Community Through Service, Potomac Hospital's Mobile Family Health Clinic, the Senior Citizen's Center and the Special Olympics to provide services and financial support to those in need.

Kiwanis is an international institution created to "serve the children of the world." They were founded on six guiding principles that continue to lead their activities to this day. These six permanent "Objects of Kiwanis" are: to give primacy to the human and spiritual rather than to the material values of life; to encourage daily living of the Golden Rule; to promote the adoption and application of higher social, business, and professional standards; to develop by precept and example a more intelligent, aggressive and serviceable citizenship; to provide a practical means to form enduring friendships; and better communities and to cooper-

ate in creating and maintaining sound public opinion and high idealism.

The Woodbridge Kiwanis Club continues to use these noble principles to guide their efforts in the community to this day. It is plain to see that the club has played a fundamental role in making this area of Eastern Prince William County a great place to live, work and play.

Madam Speaker, in closing, I would like to commend and congratulate all Kiwanians on the service they provide to their communities. Their tireless efforts on behalf of the next generation truly merit recognition. I call upon my colleagues to join me in applauding the Woodbridge Kiwanis Club on its 60th anniversary and in wishing them continued success in the years to come.

INTRODUCTION OF A RESOLUTION HONORING AND RECOGNIZING THE WORK OF THE MEALS ON WHEELS ASSOCIATION OF AMERICA, ITS MEMBER SENIOR NUTRITION PROGRAMS THROUGHOUT THE COUNTRY, AND THEIR ANNUAL MARCH FOR MEALS CAMPAIGNS

HON. FRANK A. LoBIONDO

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 21, 2007

Mr. LoBIONDO. Madam Speaker, I rise here today in support of a resolution honoring and recognizing the work of the Meals on Wheels Association of America, its member senior nutrition programs throughout the country, and their annual March for Meals campaigns.

Today, mayors and Meals on Wheels volunteers in all 50 States will join together to deliver meals to seniors. Mayors for Meals Day is part of March for Meals, a national campaign during the month of March to raise awareness of senior hunger and to encourage action on the part of local communities. The month of March was chosen because it was during this month that the law was enacted that included senior meal programs in the Older Americans Act.
